## **OPTICAL WOMEN'S ASSOCIATION PROFESSIONAL DEVELOPMENT SPONSORS MAKE PROGRAMS POSSIBLE**

Dallas, TX – The Optical Women's Association (OWA) is starting out the New Year right with a bounty of sponsors, both returning and new. The diversity of the Professional Development Sponsors reflects the expanding reach of the OWA to the membership and industry.

"OWA membership dues only covers a fraction of the costs of bringing quality programs and benefits to our members," said Christie Walker, OWA president. "We count on our sponsors' generous support, which makes possible member benefits such as educational webinars, networking events, our monthly subscription to *FastCompany*, and the annual book selection, to provide members with the tools they need for enhancing and promoting the leadership role of women."

The Optical Women's Association is happy to welcome back previous sponsors and announce a few who have "upgraded" to higher levels of sponsorship. Additionally, the OWA is pleased to welcome several new sponsors for 2014.
