

RECIPE CARD

Homemade Whipped Cream

RECIPE NAME

2-4 people or 1 cup of whipped cream

YIELD

5 minutes

PREP TIME

0

TIME TO COOK

You will need an electric hand mixer or Kitchen-Aid stand mixer.

The cream will double in size when whipped- making it very easy to calculate how much more to use to make however much you need. :)

NOTES

INGREDIENTS

Organic Powdered Sugar
Organic Heavy Whipping Cream

PROCEDURE

Pour 1/2 cup heavy whipping cream into a deep bowl and add 2 tablespoons of the powdered sugar.

Mix at a low speed until the sugar is mixed in.

Add 1-2 more tablespoons of powdered sugar. Mix at a high speed until fluffy.

Enjoy with fresh fruit or as a topping for pies, cakes, etc.

Want to spice it up? Add 1 teaspoon of sherry, brandy, rum or your favorite liqueur.
