DALLAS, TEXAS – August 1, 2018 – The Optical Women's Association (OWA) has announced a new Job Board feature on its website, www.opticalwomen.com. The OWA's overall mission is to enhance and promote the leadership role of women in the optical industry, and the new OWA Job Board does just that by connecting employers with potential job candidates.

OWA members and sponsor companies can freely use the job board to post and search for jobs across the optical industry. The OWA aims to provide an outlet for sponsor companies and members to be able to search for opportunities and hire the best talent in the industry.

"We are pleased to offer this essential benefit to our sponsor companies and world-class membership," says Tiara Claxton, OWA President, Western Regional Sales Manager at Thélios. The OWA is a blend of talented optical professionals from all over our Industry. We look forward to growing our job board postings. Enjoy this new OWA benefit!"

Sponsor companies and members can fill out an online form to get their jobs posted quickly to the OWA Job Board. Non-members and non-sponsor companies will also have the opportunity to utilize the job board features by working with the OWA office and submitting a fee.
